Brown Bag: CBSA Webinar to share the Commercial Building Stock Assessment -

Commercial buildings come in many shapes and sizes. Join us on Wednesday, May 20 from 12:00 - 1:00 p.m. to learn about the recently completed CBSA and discover what we have learned about commercial buildings. You will learn why the CBSA matters for the region, how to access the data and reports and what interesting findings were discovered...[More](#)

Brown Bag: Proposal to Simplify the UES Measure List -

BPA is working to simplify our UES measure list to improve its usability for our customers. Before we make any changes to this important tool we are seeking customer input to ensure we do not change or remove information that is necessary for customer operations, or otherwise cause unintended difficulties for customers who use this document to support their own internal systems.

To kick-off this process we will have a webinar on Wednesday, May 27 to discuss the changes we are considering. Following that webinar we will be providing a detailed list of proposed changes for customer input...[More](#)

General

Oversight of Fiscal Year 2014 Activity -

We appreciate your partnership in acquiring EE savings. As a part of that partnership BPA conducts oversight to make sure the program is working smoothly, and that the savings we achieve as a region provide a reliable resource. In the coming weeks BPA will begin conducting oversight on FY 2014 savings. Last year BPA piloted a new approach with a small a group of customers. This year we will build upon that foundation with improvements based on the input we received. We appreciate your help with this process... [More](#)

Addendum To Implementation Manual Published -

On May 11, 2015 BPA published an addendum to the April 1, 2015 Implementation Manual. This addendum incorporates the following changes...[More](#)
